Dewan's Tour Notes Subject

Acquisition of certain properties situated behind the late Town Police Station and Octroi Katte, in the Shimoga Town required for the formation of a Park

--

In enclosing herewith the records ending with the Shimoga Sub Division Officer's Memo No Acqn 31-33 dated the 5th September 1934 relating to the above subject I have the honour to state, that the Dewan during his inspection of the Shimoga Town on 25-2-1934 was pleased to suggest that the old and unsightly buildings near the Petta where the Town Police Station and Octroi katte was located should be demolished and a park should be formed in this place by acquiring certain private houses situated behind the said buildings. The buildings have accordingly been demolished and proposals for the acquisition of the private houses required above have been received from the President of the Town Municipal Council. From a perusal of the mahazar drawn up before the Revenue Inspector on 27-5-1934 regarding the valuation of these properties, it is seen that the total cost of acquisition including the statutory allowance may come up to Rs 4 000/- and the Municipal Council have in their resolution dated 25-1-1934 (copy enclosed) voted the necessary funds required for this purpose. The President has in his letter No E To 943/33-34 dated 7-5-1934 stated that the above cost may be met out of the closing balance in the current year's sanctioned budget

budget and the same debited to the balance of Rs 4 237-8-10 available in the Town Improvement funds

I therefore request you to kindly obtain sanction of Government to get preliminary notification herewith enclosed under section 4 of the Land Acquisition Regulation duly published in the next issue of the Mysore Gazette and to authorise the Assistant Commissioner in charge of the Shimoga Sub Division to hear the objections under section 5 A of the said regulation

50 spare copies of the notification in Kannada may be kindly arranged to be supplied for wide publication in the Town

30th November

1st-December

Dear Sir,

With reference to your letter No A 3-Acqn 23/77-74 dated the 22nd November 1934 in regard to the acquisition of certain properties in Shimoga Town for the formation of a park, I am desired to state that it is seen from the statement of Mr N. S. Masappa and others dated 17th November 1934 before the Sub Division Officer that as there is a Gaddige on the vacant land No. 3029 belonging to the Thataki Mutt which is stated an important one from the religious point of view of the Veerasaivites of the place they are not agreeable to the acquisition proposed and that in case the land is to be compulsorily acquired the portion on which the Gaddige stands should be reserved for them with a Mantap constructed thereon etc and to request you to kindly furnish your opinion in the matter after a personal inspection of the locality

The records received with your letter are returned herewith for reference and retransmission

Yours sincerely,

OFFICE OF THE DEPUTY COMMISSIONER
SHIMOGA DISTRICT

Dear Sir,

With reference to correspondence ending with your D C No. L 3791/M 44-34-10 dated the 1st instant regarding the acquisition of land in property in Shimoga Town for the formation of a Park, I write to state that I inspected the locality by this morning and at present there is no trace of either the Gaddige or the Kutt building referred to in the petition of 'Bassappa' and others in vacant site No. 3029 and no worship is being done. As the whole place was being rendered filthy and insanitary, the adjoining house owner has taken possession of the land and has raised a flower garden therein. The Gaddige referred to is ascertained to have existed and worship offered to it about 20 or 25 years ago and the Veerashivites of this place want to keep the place where the Gaddige stood open to the public as a relic of an ancient institution. No one however knows where the Gaddige was located and under such circumstances, it is not possible now to reserve any specified portion for the Gaddige. If sentiment has however to be respected, it will still be possible to do so by allowing the Veerashivites to erect a Gaddige on the spot and worship it but on this account, the acquisition proceedings need not be put off.

As per instructions of the Dewan during his tour in May 1934, the Park has to be formed immediately and I therefore request that sanction of Government may kindly be obtained to take possession of the properties and hand over the same to the Municipality under section 17 of the Land Acquisition Regulation. *The connected records are retransmitted*

Yours sincerely,

Indran
